Futures...

# **Bright Futures Parent Handout** 9 Month Visit

Here are some suggestions from Bright Futures experts that may be of value to your family.

### **Your Baby and Family**

- Tell your baby in a nice way what to do ("Time to eat"), rather than what not to do.
- Be consistent.
- At this age, sometimes you can change what your baby is doing by offering something else like a favorite toy.
- Do things the way you want your baby to do them—you are your baby's role model.
- Make your home and yard safe so that you do not have to say "No!" often.
- Use "No!" only when your baby is going to get hurt or hurt others.
- Take time for yourself and with your partner.
- Keep in touch with friends and family.
- Invite friends over or join a parent group.
- If you feel alone, we can help with resources.
- Use only mature, trustworthy babysitters.
- If you feel unsafe in your home or have been hurt by someone, let us know; we can help.

### **Feeding Your Baby**

- Be patient with your baby as he learns to eat without help.
- Being messy is normal.
- Give 3 meals and 2–3 snacks each day.
- Vary the thickness and lumpiness of your baby's food.
- Start giving more table foods.
- Give only healthful foods.
- Do not give your baby soft drinks, tea, coffee, and flavored drinks.
- Avoid forcing the baby to eat.
- Babies may say no to a food 10–12 times before they will try it.
- Help your baby to use a cup.

Continue to breastfeed or bottle-feed until 1 year; do not change to cow's milk.

Avoid feeding foods that are likely to cause allergy—peanut butter, tree nuts, soy and wheat foods, cow's milk, eggs, fish, and shellfish.

### Your Changing and **Developing Baby**

ROUTINE

INDEPENDENCE

- · Keep daily routines for your baby.
- Make the hour before bedtime loving and
- Check on, but do not pick up, the baby if she wakes at night.
- Watch over your baby as she explores inside and outside the home.
- Crying when you leave is normal; stay calm.
- Give the baby balls, toys that roll, blocks, and containers to play with.
- Avoid the use of TV, videos, and computers.
- Show and tell your baby in simple words what you want her to do.
- Avoid scaring or yelling at your baby.
- · Help your baby when she needs it.
- Talk, sing, and read daily.

#### **Safety**

- Use a rear-facing car safety seat in the back seat in all vehicles.
- Have your child's car safety seat rear-facing until your baby is 2 years of age or until she reaches the highest weight or height allowed by the car safety seat's manufacturer.
- Never put your baby in the front seat of a vehicle with a passenger air bag.
- Always wear your own seat belt and do not drive after using alcohol or drugs.
- · Empty buckets, pools, and tubs right after you use them.

- Place gates on stairs; do not use a baby walker.
- Do not leave heavy or hot things on tablecloths that your baby could pull over.
- Put barriers around space heaters, and keep electrical cords out of your baby's reach.
- Never leave your baby alone in or near water, even in a bath seat or ring. Be within arm's reach at all times.
- Keep poisons, medications, and cleaning supplies locked up and out of your baby's sight and reach.
- Call Poison Help (1-800-222-1222) if you are worried your child has eaten something harmful.
- Install openable window guards on secondstory and higher windows and keep furniture away from windows.
- Never have a gun in the home. If you must have a gun, store it unloaded and locked with the ammunition locked separately from the gun.
- Keep your baby in a high chair or playpen when in the kitchen.
